Dear Sally

Ofsted Inspection of Bishop Monkton CE Primary School

Please accept my congratulations for the successes that were recognised in your inspection report.

Receiving a good outcome, especially under this challenging framework, is a significant achievement and I am really pleased for you, the staff, governors and children.

It is pleasing to read that, as a headteacher, 'You lead the school with a calm resolve, and a determination to ensure the very best for every pupil'. Bishop Monkton is a highly effective school where all groups of learners, including those who are disadvantaged or have SEND, can enjoy 'quality education in a caring environment'. Together with staff and governors, you are ambitious for all children and are providing opportunities for them to develop and thrive as confident, healthy young people who are well prepared for life beyond their primary phase of education.

Thank you so much for all that you are doing and please accept my very best wishes for your future achievements. I know that you and the school team will build on these successes and strive to provide outstanding provision.

Once again well done, thank you for your hard work and good luck with the next stage of the journey.

Yours sincerely

Paul Brennan
