

# Year 2: Measurement and Geometry

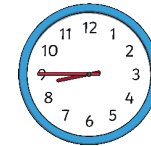

## Key Vocabulary

- Measurement
- Length
- Mass
- Capacity
- Volume
- Time
- Quarter to
- Quarter past
- Seasons
- Summer
- Autumn
- Winter
- Spring
- Calendar
- Directions
- Maps
- Turn
- Left
- Right
- Forwards
- Backwards
- Flip
- Slide
- Size
- Patterns
- Draw
- 2D shapes
- 3D objects
- Faces
- Vertices
- Edges

## Time

I can tell quarter to and quarter past times. ☐

quarter past

quarter to

I can name and order months and seasons. ☐

I can use a calendar. ☐

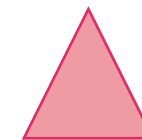

## Shape

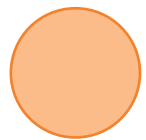

I can describe and draw 2D shapes. ☐

Square

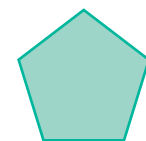

Triangle

Circle

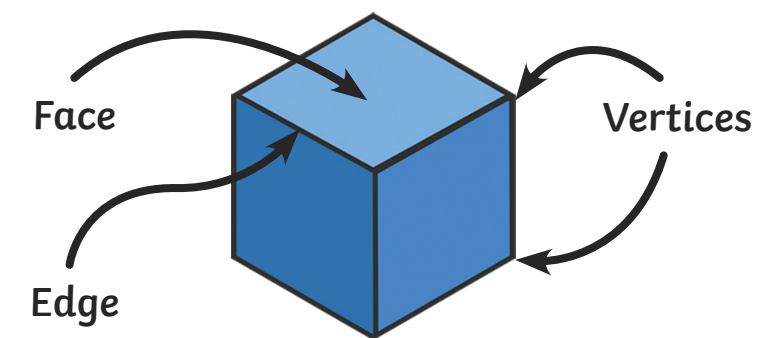

Rectangle

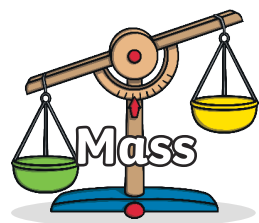

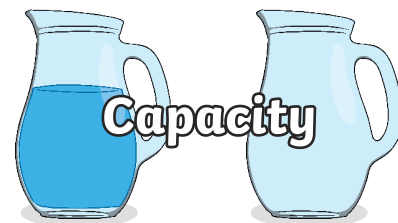

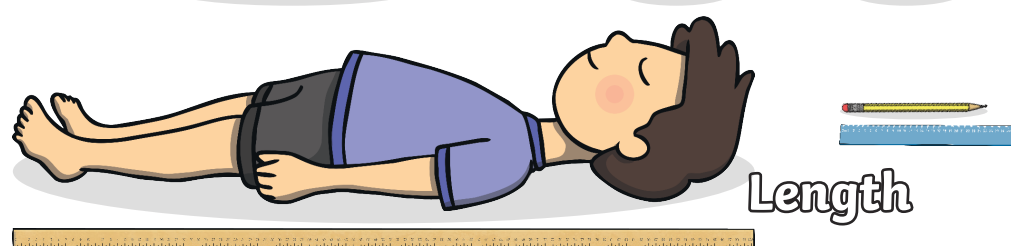

Pentagon

I can describe the features of 3D objects. ☐

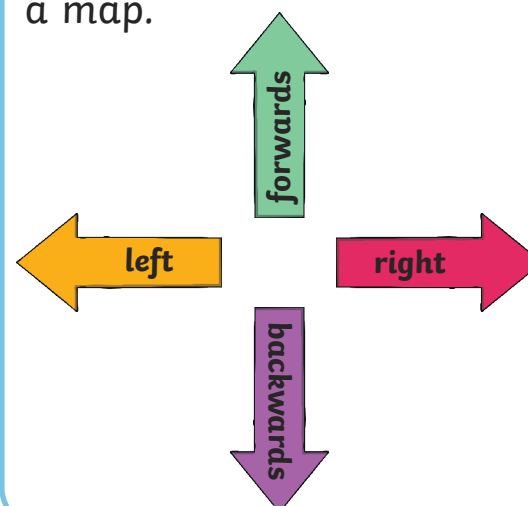

## Measurement

I can measure and order several objects based on length, mass and capacity. ☐

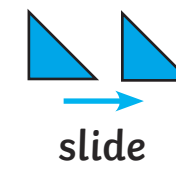

## Directions

I can give directions to find an object on a map. ☐

I can flip and slide objects to change their position and size. ☐

I can make a pattern using half and quarter turns. ☐
