Sporting Programme of Events

We as a school endeavour to provide lots of opportunities for your children to participate in a variety of sports. Visit the school website to look at our criteria for sports selection.

We do however, appreciate that not all children can take part in some of the cluster events due to restrictions on numbers. I will endeavour to give you as much notice of your child's involvement. I hope you can appreciate I do not always get ALL the information until the week or a few days before!

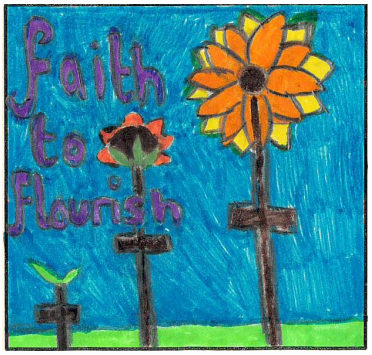

Cluster or other sporting events that require transport are at a huge cost to the school (around £90.00 Ripon area, £130.00 Harrogate area) we do ask for a voluntary contribution of £5.00, which is greatly appreciated and is considerably below the actual cost. Unfortunately if we do not receive enough contributions we may have to cancel an event. Payment can be made via your ParentPay account. For events that are held after school we need parents/carers to be able to transport the selected children to and from the event.

In this sporting calendar I have tried to give you as many dates of events/activities as possible, so you can put the dates in your diary. However, on occasions the dates can change due to unforeseen circumstances, or, other opportunities can arise which we as a school feel we need to participate in.

If there are any parents/carers with a sporting specialism, that could spare an hour after school to hold an extra curricular club please contact me on a.coupland@bishopmonkton.n-yorks.sch.uk.

Fingers crossed for a very successful sporting year and of course good weather!

Mrs A Coupland

Bishop Monkton C of E Primary School

Academic Year 2019-2020
