Bishop Monkton CE Primary School - Geography Knowledge Organiser – Islands—KS1—Human and Physical Geography

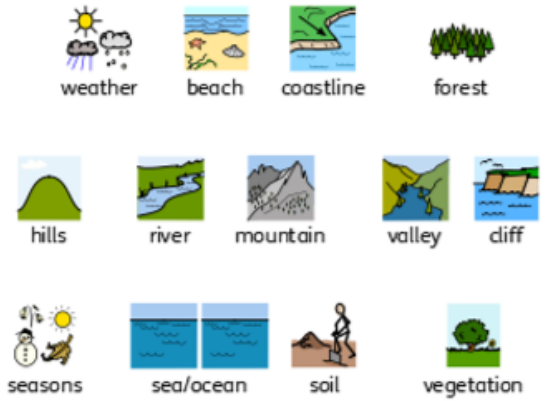

What should I already know?

- The village I go to school in is Bishop Monkton.
- Bishop Monkton is near the city of Ripon.
- Bishop Monkton is in the country of England, which is in the United Kingdom.
- Great Britain is an island—it is surrounded by seas; Irish Sea, North Sea and the English Channel.
- There are four seasons. The weather changes.
- Bishop Monkton and Ripon are in the county of Yorkshire. Yorkshire has a coast.

Human Geographical Features

Physical Geographical Features

Key geographical knowledge and skills

- I can explain what an island is and describe some of its physical features.
- I can use a map to identify the main islands around the coast of Britain. E.g. Britain, Anglesey, Isle of Wight, Channel Islands, Skye, Orkney, Shetland, Isle of Man.
- I can explain how an island is different from the mainland.
- I can understand why some islands in the world may have hotter weather and some island may be colder.
- I can locate islands around the world using digital maps. I can guess whether they are likely to be 'hot' or 'cold islands. E.g. Australia, Greenland, Borneo, Cuba, Iceland, Sicily.
- I can understand what life would be like on contrasting islands. I can describe what is similar and what is different. E.g. The Orkney Isles compared to Crete.
- I can consider human features e.g. transport as well as physical features e.g. steep cliffs.

Vocabulary

aerial view	A view from above.
beach	An area of sand or stones beside the sea.
city	A large town. York is a city.
cliff	A high area of land with a very steep side, especially one next to the sea.
