Bishop Monkton Church of England Primary School

Autumn 2 Information for Families

Class: Puffins

Before and After School: Children are welcome into school from **8.45am – 8.55am** entering through the classroom door. At the end of the school day, each child will be handed over to their adult at the classroom door before leaving. If someone different will be collecting your child, please inform the school office in advance so that we can ensure a safe handover.

Reading at home

Children should bring their reading record and shared library book to school each day. Children following the Little Wandle phonics programme will read their book three times with an adult during the school week before bringing it home to practise. Please ensure all Little Wandle reading books are returned to school every Monday.

In Autumn 2, children who have completed the Little Wandle phonics programme will begin our new Little Wandle Fluency scheme, with books coming home in due course.

Please read frequently with your child at home and record all reading in their yellow reading record. Reading records are checked in school, and children can earn House Points for their reading each week, rewarding their effort and encouraging a love of reading.

Thank you for your support in helping your child develop their reading skills and a lifelong love of books!

PE takes place on Monday and Thursday.

Please ensure your child comes to school wearing their PE kit on these days. Earrings must be removed before the PE lesson, so ideally before coming to school on those days.

Adults in class each day:

Monday – Mrs Filippi

Tuesday – Mrs Filippi & Mrs McDonald (pm)

Wednesday – Mrs Filippi

Thursday – Mrs Russell

Miss Atkinson will also be continuing her teaching placement with us throughout Autumn 2 and will be in school from Monday to Friday.

Home-learning expectations:

Maths: TT Rockstars – By the end of Year 2 the expectation is that children will know their 10x,2x,5x. We will also be sending home some maths fluency homework over the half term.

Curriculum: Term project based on our geography topic – more details to follow
