Dear Parents/Carers

Bike ability Year 6 25th & 26th January 2027

Bike ability Year 5: Group 1 28th & 29 January 2027 and Group 2 1st and 2nd February 2027

Your child has been selected to take part in Bike Ability event held at Bishop Monkton School it will take place over the dates specified above. This event will be for the full school day over two days. Your child will need a bike which is fully working. A full bike check will be completed by the trainers. Children will need a bike helmet that complies with standard regulations.

Normally we offer Bike Ability for children in year 6; however, over the last two years I feel the demands of the curriculum and our enrichments opportunities for year 6 means moving bike ability to year 5 will allow a greater deal of flexibility going forward. Safe bike riding on roads before secondary school is essential so this year all children in year 5 and 6 will take part and moving forwards it will be a year 5 activity only.

Children will be expected to come into school in appropriate clothing to ride a bike safely. Children will be required to follow our normal guidelines as below:

- Waterproof coat/jacket/school jumper or hoody
- Long hair must be tied back
- Earrings/jewellery (including watches) must be removed.
- Water Bottle
- Please make sure your child's medical information is up to date.

If you require any further information, please do not hesitate to come and see Mrs McMahon. I will decide the year 5 groups nearer the time, all year 6 ride together. The cost is £10 per child payable on Abor.
